2

Happy October everyone, cooler temperatures are on the way and the love bugs are almost gone.

Our Chapter had nine participants attend the Region "A" Convention in Eufaula, Alabama on September 13th - 15th. We encountered some love bugs and a few rain showers on the ride there and back. We played games, we attended the BBQ Dinner, Mardi Gras Party and Costume Contest, Couple of the Year Selection, Ice Cream Social, Talent Show and rode in the escorted lighted bike parade. We also visited the vendors, spent money and most important, we had lot's of fun. If you are interested in attending next year, the dates are September 12th - 14th, 2013. You will need to make your own reservation's, they are not allowing individual's to reserve a group of rooms. To make a reservation, please call Lakepoint Resort Lodge & Convention Center at 1-800-544-5253 or 1-334-687-8011. There is a 3-night minimum stay at the Lakepoint Lodge.

We had our Chapter End of Summer Party on September 22. There were 25 participants that attended and the food was fantastic. Everyone had a great time visiting and catching up on what's been going on in their lives. Thanks to everyone that was able to attend.

We have a full October calendar planned and if you are able, come out and play with us, you don't have to ride a motorcycle to attend any of our events. If you have any suggestions for the Ride Calendar, please give them to the Ride Committee.

If any of you are interested in becoming part of our Team, there are several positions available. Please contact me for more information.

Ride safe.

Julia & Greg  
Chapter Director

## Your Assistant Chapter Directors

Our grandson, **Hunter**, now age 12, wrote in his journal at school last year that his grandfather was the leader of a motorcycle gang and they helped animals and his grandmother worked at a bank. Ok, we got the part about the gang as Kim (our daughter and Hunter’s mother) constantly teased us about being in a gang; leader – well yes, assistant chapter director; but “they helped animals”, that really stumped us. And grandma is a bookkeeper, she so deals with money but not at a bank. As we were telling the story at the End of the Summer Party, **Kathy Organ** popped up and said well Hunter did go with us to the horse farm. DUH and we feed the horses the carrots we brought. It always makes us laugh to see how our grandkids see things.

Hunter rode over on the motorcycle with grandpa and **Kim** and grandma followed in the car. We had a great time at the retirement home for horses at Mill Creek Farm back in November of 2009. It is a nonprofit equine sanctuary located in Alachua, Florida. They provide lifelong care for horses that have been neglected or abused or that are unwanted and destined for slaughter. The admission was two (yes 2) carrots each.

On the way home Hunter kept falling asleep and bumping his helmet into grandpa’s back. So they stopped, Hunter fussed about not wanting to get off the bike, but finally got in the car and was asleep within a mile. Those are

Now back to current events, you missed a great party if you didn’t make it to the End of the Summer Party hosted by **Bill and Betty Brattain**. The food was great, company was great, and I haven’t laughed so hard in a long long time. You missed a great time if you didn’t come.

Hope to see you at the next party!

Danny & Kathy McIlrath  
Assistant Chapter Directors

# Your Senior Chapter Educators

## RIDER EDUCATION – FL1-K COMMITMENT

GWRRA Florida District emphasizes a continued commitment to the Rider Education Program (#1 REP District in GWRRA). Within the program, is the members' participation in the Levels Program. The levels program supports riding skills, training, and experience. The education and safety portions are achieved through riding courses and both live and video seminars. These courses and seminars are available through the chapter and at the district, region, and national conventions.

The Levels Program consists of:

- Level I Safety By Commitment (All that is needed to become Level I is a verbal commitment to safe riding)
- Level II Safety By Education
- Level III Safety By Preparedness – Certified Tour Rider/Co-Rider
- Level IV Safety by Enhanced Preparedness & Experience – Master Tour Rider/Co-Rider. For a Master Tour Rider/Co-Rider continued commitment to the Rider Education Program, there are 3 additional recognitions at 5 year intervals:
  - Senior Master
  - Grand Master
  - Life Grand Master

FL1-K makes the commitment to a strong participation to the Rider Education Levels Program. Our chapter goal is 100% participation. The following members have achieved the Levels of:

- Bill & Betty Brattain – Level II
- Ed & Jeanette Carr – Level IV, Senior Master
- Carl & Mare Carstens – Level III
- Gordon Currie – Level III
- Betty Currie – Level II
- Richard & Gail Dake – Level I
- Roy Dear – Level I
- Mike & Toni Duffy – Level III
- Ralph & Margaret Faircloth – Level IV
- Bob Finney – Level IV
- Greg & Julia Fitzpatrick – Level III
- Mark Lasoff – Level I
- Bill & Liz Maxwell – Level IV
- Chuck McDermott – Level IV
- Danny & Kathy McIlrath – Level IV
- Robert & Lynne Morse – Level I
- John & Kathy Organ – Level IV
- Tony & Pat Orsini – Level I
- Jeremiah Parson – Level IV
- Dan & Barbara Randall – Level III
- Allan & Susan Schule – Level I
- Michael Tuccelli – Level I
- Barry & Linda Udell – Level II
- Archie & Marsha Watson – Level III

FL1-K is looking forward to our continued commitment of new member participation and the current member progress in the Levels Program.

Bill & Liz Maxwell  
Senior Chapter Educator

**MEMBERSHIP ENHANCEMENT**

**Jeanette Carr**

“IF I DIE, WOULD YOU REMARRY?”

*THE #1 RULE IN FLORIDA IS TO HAVE FUN!!!*

FL1-K Members at the June meeting will remember Ed and I read this exchange between a husband and wife. We also did it at **West Palm Beach Chapter FL 2-A** for which **Cheryl Smith** is the CD and **Bill Smith** is the M.E.C. and FL ADD. As MC at the Region A Talent Show, Bill Smith had few acts to introduce and so without warning, he asked us to do this skit. Not having our handy scripts, it took encouragement from me and the crowd to pressure Ed to go on stage. I made up comments and he figured out how to answer which earned lots of laughs from the crowd. A reference to the “left handed” comment in our skit even came up during closing ceremonies. FUN !!! That along with riding is what we want from GWRRA. We had it at Region A in Eufaula, AL. Join us next year at the Lake Point Lodge and great riding area.

Our 7 day trip to/from Alabama was rural, low traffic, with few stops on scenic secondary roads. Hwy 40 to Ocala meant that the morning sun was at our backs. Hwy. 27 and then Hwy. 19, “The GA/FL Parkway”, took us through horse country and into western GA. Two-lane roads in eastern AL lead us north of Birmingham. Trees, pastures, one or no light towns, crops (cotton, peanuts, soybeans), little traffic meant a ride to nourish the soul. One crop seemed different in northern AL and visiting my cousin in Cullman, AL we learned that sweet potatoes were a big crop in that area.

Our return trip took us past the old stately home that line the divided tree lined streets into Eufaula and then across the lakes causeway on Hwy. 82 into GA. We continued then at an angle on back roads across GA eventually through Waycross and the Okefenokee Swamp to Jacksonville, FL. Then we were ready to travel the interstate to home sweet home.

\* \* \* \* \*

**Mike Tuccelli’s Alaska Trip July/August 2013**

At our June meeting, Mike spoke of this trip which helps raise funds for deaf or blind children. Check out the web site [www.AlaskaBikeRun.com](http://www.AlaskaBikeRun.com) for information. The \$200 fee gives you a route to Hyder, Alaska, the opportunity to ride with a group of adventurous people, a chance to share rooms to keep costs down (optional), a trip DVD, a commemorative T shirt, and a great adventure - besides helping children.

## Couple of the Year Bill & Betty Brattain

6

Well, we are coming to the end of the very hot weather this year. I admit it has curtailed some time on the road. I just don't seem to be able to get really enthusiastic about being on the asphalt when the temp is above 95 and there is no real relief to the heat. Fortunately, here in late September, we have had some great days recently so I am anticipating some really great days out on two wheels. The mornings are great these last few days and the days are only getting better. Getting excited about an upcoming ride reminds me of the anticipation of events when I was a kid. Sometimes the anticipation was probably better than the real thing. I remember waiting on the County Fair and that first taste of cotton candy and the Ferris Wheel ride. These days the anticipation is of good friends and a nice piece of road with great scenery on the way and good food at the end. It's really pretty easy to get away from two wheels for a while when you are busy with other stuff going on but the feel of the road and leaning into that first nice curve brings it all back. I hear that the brain never forgets the different smells and the associations with times and places. It sure seems to be true for that first Saturday morning when the smell of freshly mown grass finally gives way to coffee at the breakfast destination on that early ride. I've had several bikes and Betty and I have spent some great hours on most of them. All those times just make the anticipation of the next one better.

Betty and Bill Brattain

## Region "A" Directors Bob & Nancy Shrader

7

What a great rally it was! The Region "A" rally ran from the 13th of September through the 15th at the Lakepoint Lodge in Eufaula, AL and did we ever have a good time. We can't say "Thank You" enough to our fantastic turn-out of delegates, our great vendor display, the good food served by the Lakepoint Lodge and the perfect weather.

Our total attendance for this event was 582, up from last year. The ONLY thing that makes a rally a success is the attending delegates. Without you folks, it's nothing. Thanks again for supporting Region "A" and we hope you had a good time. We sure hope to see you next year as we will be returning to the Lakepoint Lodge (by popular demand). Our 2013 theme will be "Fiesta!"

We had 11 vendors who provided a nice variety of merchandise and equipment for just about every motorcycling need. We had tires and service, chrome, clothing, helmets and electronics and just about everything in between. Jim and Sue Jackson did a great job recruiting vendors to our trade show. It appeared to us that they all did pretty well in terms of customers.

We were pleased to host several dignitaries from the International staff at the rally. Jere and Linda Goodman (Director of GWRRA), Ed and Linda Johnson (Directors of Membership Enhancement) Joe and Jan Mazza (Coordinators of Motorist Awareness) and Steven and Tammy Hollingsworth (International Couple of the Year Coordinators). I think we showed all these folks a good time and how Region "A" rally's. Jere put on an entertaining Wing Ding 35 promotional skit that had everybody laughing and applauding while Joe and Jan Mazza ran our Motorist Awareness table during the rally. We thank all these International staff members for attending our rally and lending their presence to the event.

Please refer to Ed Porter's article in this edition for all the statistical winners at the rally. We appreciate all those who participated in the various competitions and seminars.

We also need to thank the 5 Districts in the Region who contributed prizes, food and workers for the event. We don't have enough folks on the Region staff to host a rally and could not have done it without your invaluable assistance. Thanks to Robert and Gail Brown (AL DD), Bill and Gina Berry (FL DD), Tommy and Vicky Martin (GA DD), Bobby and Lori Bryant (MS DD) along with Charles and Betty Coleman (SC DD) and their District staffs for all they did to help us put on the Region rally!

Last but not least, we'd like to recognize our out-going Region A Couple of the Year, Greg and Rene' Dempsey from Alabama. They were notably selected International Couple of the Year at Wing Ding in Ft. Wayne this year. They have done a wonderful job of representing Region "A" and we are proud of their selection as International Couple. At the just concluded Region rally, Dana and Jo Voight were selected the 2012-13 Region "A" Couple of the Year. Dana and Jo are from the Florida District where they affiliate with FL2-G. We know they will represent the Region going forward and we will all need to turn out at Wing Ding in Greenville next year to support them in their quest for International Couple of the Year.

The Mississippi District rally is coming up October 11th-13th in Biloxi at the Imperial Palace Casino and Resort. It promises to be a great event; Nan and I hope to see you there.

Bob & Nan

7

## District Directors Bill & Gina Berry

8

September is drawing to a close and summer is gone. Well, at least in some parts of the country! Unfortunately for you folks up North, your riding season may soon be over. "Not so!" you say. Then why did October's edition of Wing World contain an article "Storing your Wing?" For those of you planning to head South for Winter, we say "come on down and welcome back home!" September was hot weather-wise but also hot with the FUN we always have in Florida. We attended a great Rally in Eufaula, Alabama last month. Region A Directors, Bob & Nan Shrader, along with their Team put on a party that will be remembered for a long time. We would like to thank the Florida District Team and Chapter Participants that helped us at the Rally. Thank you! Florida, once again, won the Largest District in Attendance! We had many winners from around the District and you can see the list on our web site! Congratulations! FUN, FUN, FUN!

Also, we are proud to announce, once again, Florida is home to the Region A Couple of the Year! Dana & Jo Voight of FL2-G (North Ft. Myers), were selected as the 2012-2013 Region A Couple of the Year. They were selected as the Florida District Couple of the Year at our Pirate Parley earlier this year. They will now go to Wing Ding in Greenville, SC, and participate in the International Couple of the Year Selection Process. Start making plans now to be at the 2013 Wing Ding in Greenville and cheer on Florida's and Region A's Couple! Congratulations, Dana & Jo! We know you will continue to represent GWRRA in high fashion!

We have just signed the contract with the Imperial Swan Hotel & Suites in Lakeland for our 2013 Chapter Officer Conference. It will return to the same location in Lakeland, 4141 South Florida Avenue, January 5th & 6th, 2013. We start early on the 5th. Best to arrive on Friday the 4th. Remember this is an approved expense from Chapter funds and this conference is very important for our business side of GWRRA. This meeting also maintains our OCP updates and gets all Financial Reports due to the IRS turned in. Please start planning now to attend this event. As always, we strive to make this as much FUN as possible, as well as, meeting the business side of things! In preparation for our sports theme Rally in 2013, we will have some bowling FUN on Saturday evening! This is where you can Strike out three times or more and be a BIG Winner!

As we alluded to early in this article, the Fall season is coming and with it more Chapter events will be held. Chapter Directors, if you hold an event and want people to support your event, you must get out and visit. Don't just jump on the interstate there and back. Plan a back road excursion and make it a ride event as well! Take the extra hour or so to get there or to return home. Remember, your folks will follow you as long as the event is FUN! FL1-A (Tampa) and FL2-A.R.E. (A, West Palm Beach, R, Ft. Lauderdale, and E, Miami) are holding events in October. It's not too late to put these on your Chapter Schedule! Hope to see you at these FUN events.

If you have not read Jere Goodman's, GWRRA Director's, article in the current issue of Wing World, be sure to do so. He and Linda attended Region A's event in Eufaula and he showed a side most of us have not seen of him before. We believe in what "Rapper J" said as Florida's Rule #1 has been Have FUN for awhile. We now have help at the upper levels of GW and we feel someone has been listening. Jere has written a great article and we in Florida want to be in the forefront of having FUN! It starts at the Chapter level, and, as mentioned in last month's article, we have met with our Team and are planning a series of meetings around the state to meet with Chapter leaders and to have brainstorming/Round Table sessions. This will be a "luncheon" provided by the District and attended by you and your Team. As your ADD's contact you, please work together in order to make this as painless as can be! Joking aside, we want this to be a FUN get-together and to listen to what you need from us. Gina and I plan to attend all of them around the state - so the scheduling may require some flexibility. We look forward to this in the coming months.

Now, let's go have some FUN!

Bill & Gina Berry  
District Directors

# CHAPTER FL1-K 3rd ANNUAL POKER RUN

## April 6, 2013

### To Benefit DISABLED AMERICAN VETERANS

Come join us from 9:00 AM to 2:00 PM
